Stokes Street? Nobody gave a FUCK about Aldwyn Stokes - a former head of the Clarke Institute (the Shock Shop) - except other SHRINKS and their TOADIES.

Fuck $CAMH - at once totally STUPID - and TOTALLY OFFENCIVE.

NOT an ISOLATED little FAUXPAS. CAMH / $CAMH - from CEO Trixie Sane on down - routinely committed STUPID BLUNDERS re "Mental Illness" - Madness - Clients - Mad People - use what terminology you like....

$CAMH was routinely STUPID not just about the NEIGHBORHOOD but about the WHOLE CULTURE of which it purported to be an INTEGRAL PART....

These were the PEOPLE - the IMPOSTORS, the BULLSHITTERS, the EMOTIONAL MANIPULATORS and LIARS - who said they could TRANSFORM / CURE us.....

This was really ABSURD....

"Three of YOU will be schizophrenic!" The CURE?

(We're on the CUSP of a BREAKTHROUGH....)

"See me NEXT year...."

*****

Defeat Denial: he'll drink your beer and steal your meds - but he sure was cute.

Johnny was a fag so the recent travesty of "Mental Illness" by neo-fascist DentsuBOS didn't even SOUND right to him.

All in your BRAIN?!

Like they meant to say - something else - but didn't even have the guts....

Or the balls....

Or the brain....

Like - "it's all in your - ASS?" That was BETTER! FELT BETTER, too....

Unlike the BAD PHARMA BRAIN DISEASE CULT at $CAMH - which always felt BAD, and didn't even WORK....

Nurse could have the meds....
